Hi guys!

So, I'm working on cultivating my inner-Republican. She's very timid right now and in fact, I didn't even know she was *in there until*, I fell in love with the two of you. So, essentially, it's all your fault ;o)

Lol..,

Seriously, though, I *really am* trying to figure out how in the world to understand the Republican ideology. It's an inherent *weakness* of mine, I will *admit*. However, I really do want to learn and improve; with all of my heart, I promise you it is true.

So, there's that..

And *then*, in conjunction --> my newest goal is to learn how to love every single Republican in Ohio's General Assembly and America's Congress. So I have my work cut out, but I was thinking, with two such sensationally exceptional Republican mentors such as yourselves, there really just isn't *anything* I can't accomplish ;o)

So.., that's a thought.

And then lastly here, the one obligatory note:

I really *am* getting antsy about the abortion bullies swarming around out there, and also, I'm on Medicaid right now and just wanted to let you guys know --> it's *so* not as super glamorous as you might've *thought*.

*Truly*--> and I just wanna tell you *all*, about it ;o)

So, if there's any way I could squeeze into your super-tight schedules at some point to come in and say hi *personally* ;o)

You know it would mean everything.

And in closing, I am leaving on March 4th for the month, but then I will be back --> so if you can't fit me in prior I certainly understand, and would be happy to work on my virtuous development of patience with the time in between..,

:oP

Ohh and Senator Coley, I'm glad you're feeling better. I talked to both Logan and Drew about the pneumonia and you positively had me scared half to *death*.

Sincerely Yours,

Marissa Kristina Varcho
